Thank you Taylor.

The move cost me more than I had anticipated, but I was very pleased with the crew that was sent out. Please make sure that their Supervisor knows that I was very pleased with their professionalism and hard-work! They were careful with my things, wrapped up everything and did not damage one piece of furniture. That's why I use ATLANTA PEACH every time I move, and believe me I have moved a LOT!

Edmund is wonderful and always helpful and courteous. Pope, Deion and the 3rd guy were amazing. Please forward this to their supervisor so that he is aware that he has some "VERY GOOD" people working for him and to appreciate them!

Good people are hard to find! Have a great day! Virginia Keagle
